Werner Enterprises recognized in *Food Logistics*' FL100 as a top technology provider

OMAHA, Neb. –Werner Enterprises, a global transportation and logistics company, has been selected as a FL100 top technology provider from *Food Logistics* magazine. Werner Enterprises was recognized in Food Logistics' fifth annual list as a company with a broad range of solutions and services targeted at the food industry.

“The FL100 is a source of technology solution providers that offer products and services that specifically focus on the unique needs of the food industry,” Katherine Doherty, editor-in-chief of Food Logistics Magazine said.

Food Logistics magazine serves the information needs of food, beverage and consumer packaged goods executives involved in warehousing, transportation and information technology as well as third-party and refrigerated service suppliers.

Werner Enterprises, Inc. was founded in 1956 and is a premier transportation and logistics company, with coverage throughout the United States, Canada, Mexico, Asia, Europe and South America. Werner maintains its global headquarters in Omaha, Nebraska and maintains offices throughout North America and China. Werner is among the five largest truckload carriers in the United States, with a diversified portfolio of transportation services that includes dedicated, medium-to-long-haul, regional and local van capacity, expedited, temperature-controlled and flatbed services. Werner's Value Added Services portfolio includes freight management, truck brokerage, intermodal, load/mode and network optimization and freight forwarding. Werner, through its subsidiary companies, is a licensed U.S. NVOCC, U.S. Customs Broker, licensed Freight Forwarder in China, licensed China NVOCC, TSA-approved Indirect Air Carrier and IATA Accredited Cargo Agent.
