WERNER®

DEDICATED

DEDICATED

Your Power Drive.

At **Werner**,® we are your **powerhouse** in dedicated solutions, designed to support the unique needs of your business with flexibility, scalability and efficiency. Our tailored transportation services go beyond traditional models, offering exclusive access to a modern fleet, advanced technology and unparalleled operations—ensuring your freight moves with precision, no matter the challenge. We understand no two businesses are the same, which is why our solutions are fully customizable to meet your unique requirements.

KEY ADVANTAGES OF WERNER DEDICATED SOLUTIONS

DEDICATED

SAFETY & OPERATIONAL EFFICIENCY

- Commitment to safety through rigorous training and industry-leading protocols.
- Advanced tracking tools reduce costs and minimize disruptions to your supply chain.
- Our Power Team of experienced professional drivers and operations professionals ensures safe, reliable deliveries.

SCALABILITY & CAPACITY

- Access to 4,800+ dedicated trucks and 150+ dedicated fleets to support your growing needs.
- We are the 6th largest dedicated fleet in the U.S. among our competitors.
- Scalable solutions ensure capacity for seasonal surges and market fluctuations.

MODERN EQUIPMENT

- Our fleet is equipped with the latest safety technology, including forward-facing cameras and crash mitigation systems.
- Our modern fleet ensures maximum uptime, minimizing disruptions.
- Features such as self-inflating tires, advanced warranties and reduced maintenance downtime help keep your freight moving.
- Wide range of equipment configurations, including heavy hauling capabilities.

AVAILABILITY & FLEXIBILITY

- You get 24/7, 365-day coverage for uninterrupted operations.
- Facing seasonal surges? Our scalable solutions ensure you have the capacity you need, when you need it.
- Flexible service models adapt to your business's evolving needs.
