Your Power in Logistics Management

Werner® offers a comprehensive, customer-focused approach to **Truckload Logistics**, blending the strengths of all our divisions to deliver tailor-fit solutions that drive efficiency and success. Whether you need van, over-dimensional, flatbed, temperature-controlled or other transportation services, Werner's extensive resources and expertise **power** your logistics needs—without the complexity.

KEY ADVANTAGES OF WERNER'S TRUCKLOAD LOGISTICS

COMPREHENSIVE APPROACH

- Tailor-fit solutions leveraging the combined strengths of all Werner services to meet your specific needs.
- Access to a variety of transportation modes, including van, over-dimensional, flatbed, temperature-controlled and more.

CUSTOMER-FOCUSED SERVICE

- Offers contracted rates and transactional pricing across all transportation modes.
- We have nationwide accessibility, with 11 strategic offices across North America ensuring comprehensive coverage, so you can count on Werner wherever you are.

POWER ONLY CAPACITY

- **Power Only and Pop-Up Fleets:** Gain access to qualified partner carriers, competitive rates, superior service and an experienced **Power Team**—ideal for surges, short-term or long-term needs.
- No long-term commitment required, providing flexibility while delivering a Dedicated fleet experience.
- Enjoy the convenience of a single point of contact and 24-hour customer service coverage.

EMERGENCY & SURGE EVENT MANAGEMENT (E.A.S.E)

- Customized short-term freight or event management solutions for natural disasters, product launches, recalls and seasonal surges.
- Our team of project and event management experts ensures timely, on-demand solutions to keep your business on track.

LEADING-EDGE TECHNOLOGY & SUPPORT

- Systematic tracking capabilities ensure visibility and control throughout your shipment's journey.
- 24/7 coverage, all supported by a large company-owned truck fleet and an extensive alliance carrier network to meet your needs at every turn.

CARGO SECURITY & CARRIER QUALIFICATION PROCESS

- **Strict Authorization & Verification:** Require unique pickup codes, verify shipment details and enhance carrier monitoring with **Highway** to reduce theft and improve transparency.
- **Real-Time Tracking:** Leverage GenLogs AI and GPS to monitor shipments, detect unauthorized use and expedite trailer recovery.

WHY CHOOSE WERNER FOR YOUR TRUCKLOAD LOGISTICS NEEDS?

■ PROVEN EXPERTISE & OPERATIONAL EXCELLENCE

With nearly 70 years of experience in transportation and logistics, Werner is your trusted partner in Truckload Logistics. Our vast fleet, skilled professionals and advanced technology give you the power to optimize your operations.

■ SCALABILITY & CUSTOMIZATION

Our flexible solutions grow with your business, providing both short-term and long-term support with no long-term commitment, ensuring your supply chain remains agile.

■ CUSTOMER-CENTRIC APPROACH

Our consultative approach and dedicated team ensure your logistics challenges are met with customized solutions designed to enhance your operational efficiency and drive long-term success.
